

Abstract Submitted
for the APR05 Meeting of
The American Physical Society

Physical Review and Physical Review Letters — Editors from Physical Review and Physical Review Letters will briefly discuss some current issues facing the journals such as how to express appreciation for good refereeing, possible inclusion of popular abstracts in PRL to make Letters accessible to physicists in all fields, the challenge posed by open access, etc. The Editors look forward to hearing opinions on these and other issues. They will also respond to questions and comments.
