C

Abstract for an Invited Paper
for the APR09 Meeting of
the American Physical Society

DOE/NASA Joint Dark Energy Mission (JDEM)

NEIL GEHRELS, NASA Goddard Space Flight Center, ANDREAS ALBRECHT, University of California, Davis

Dr. Neil Gehrels, Chair JDEM Science Coordination Group, and others will provide information about the current status of the JDEM project including the Reference Mission, Timeline, Observing Strategy, and Ancillary Science. Time will be provided for questions and input from the community on topics including the mission plan and the dark energy and ancillary science enabled by JDEM.
