

Abstract Submitted
for the APR17 Meeting of
The American Physical Society

L3 Study Team Activities¹ DAVID SHOEMAKER, Massachusetts Inst of Tech-MIT, L3ST TEAM — The NASA-Chartered L3 Study Team is working to develop the US community participation and to support NASA's contribution to the ESA-led LISA mission to observe gravitational waves via space-based detectors. The present activities of the L3ST will be described, and the next steps for the Study Team will also be given.

¹NASA supports travel activities and support for the Study Team activities
