

Abstract Submitted
for the BTUPP18 Meeting of
The American Physical Society

The Physics Program at Randolph-Macon College RACHELE DOMINGUEZ, JAMES MCLESKEY, GEORGE SPAGNA, DEONNA WOOLARD, Randolph-Macon College — Randolph-Macon is a small liberal arts college in central Virginia. Our physics department supports majors and minors in physics and engineering physics and a minor in astrophysics. We will present an overview of the department, including recent developments in our engineering physics degree and teacher training program. We will also describe the new Keeble Observatory, which opened this past year.
