

Abstract Submitted  
for the DAMOP06 Meeting of  
The American Physical Society

**How to Deal with the Flaws and Foibles of Reviews and Rebuttals**

G. DRAKE, L. NARDUCCI, L. COLLINS, PRA, F. NARDUCCI, PRA and PRL,  
G. BASBAS, PRL, APS Editorial Offices, Ridge, NY — Come hear the editors tell  
how to compose a review and how *not* to rebut one. The session will begin with a  
talk to reveal what editors are confronted with as they assess the debates between  
authors and reviewers, and present the editors' ideas about how to make life easier.  
The floor will be open for questions and discussions. Refreshment provided. The  
aim is to give insight and advice in these vital matters of research publication.
