Abstract for an Invited Paper
for the FWS15 Meeting of
the American Physical Society

Career Panel of Alternative Energies

The panel discussion on Alternative Energies gathers four physicists working in industry with knowledge on Alternative Energies: Monique Delmar (Sempra Energy), Paul Grant (W2AGZ Technologies), Dmitri Kossakovski (Gentherm), Matthew Thompson (Tri Alpha Energy). The panelists will first describe in a short presentation their career path that led them to the positions where they work now. This time is followed by a QA session with the conference attendees on issues and careers related to Alternative Energies.
