

Abstract Submitted  
for the GEBPC17 Meeting of  
The American Physical Society

**Bridge Program in the University of Houston Clear Lake SAMINA MASOOD**, University of Houston Clear Lake — University of Houston Clear Lake is a master degree granting institute, primarily. It offers MS in Physics and has been chosen a Bridge program partner in 2014. Since then it has been contributing to train MS level graduate students from the under-represented minorities (URM) to prepare for the job market and higher education. Current Physics MS program has more than 16% percent students from Bridge program and a more than 25% URM students in the graduate Physics program.
