

Abstract Submitted
for the MAR09 Meeting of
The American Physical Society

Effects of the New Faculty Workshop at WFU FREDDIE SALS-
BURY, Wake Forest University — Two members of the Wake Forest University
Physics department have attended the Physics and Astronomy New Faculty Work-
shop and have implemented many of the lessons learned in their classes and in the
department. In particular, the impacts on teaching introductory and upper-level
physics, and developing a biophysics track will be discussed.
