Abstract for an Invited Paper
for the MAR14 Meeting of
the American Physical Society

Introduction of BASIC (Beijing Advanced Sciences and Innovation Centre)

HONG DING, Institute of Physics, Chinese Academy of Sciences

In this talk I will review the goal, planning, and current status of Beijing Advanced Sciences and Innovation Centre (BASIC), which will become the first multidisciplinary basic science laboratory within Chinese Academy of Sciences. I will mainly focus on some of large-scale scientific facilities which may be built inside BASIC in the near future.
