for the MAR14 Meeting of
The American Physical Society

Tutorial for Authors and Referees —Editors from *Physical Review Letters* and *Physical Review* will provide information and tips for less experienced referees and authors. Topics for discussion will include advice on how to write good manuscripts, similarities and differences in writing referee reports for PRL and PR, and other ways in which authors, referees, and editors can work together productively. Following a short presentation from the editors, there will be a moderated discussion. A light breakfast of bagels, pastries, coffee, and tea will be served.
