Abstract for an Invited Paper  
for the MAR14 Meeting of  
the American Physical Society

**Panel Discussion on Industrial Research for Graduate Students and Postdoctoral Researchers**

BRENT NEAL,

The session organizers invite all industrial researchers and those who might be interested in a career in industrial research for an open discussion on careers in industry. The topics covered will be flexible based on audience interest, but are expected to include career paths, resume building, networking, interviewing, and transitioning out of academia.
