

MAR15-2014-020302

Abstract for an Invited Paper  
for the MAR15 Meeting of  
the American Physical Society

**Science publishing: A day in the life of an APS editor**

KATHERINE THOMAS, Physical Review Letters, American Physical Society

I will share my experience in working as an editor for a scholarly journal. The talk will include information on my career path, the skills and qualifications needed, and give insight into my day-to-day activities
