

Abstract Submitted
for the OSF19 Meeting of
The American Physical Society

Step UP for Physics - Encouraging Women LAURA SLOMA, East Kentwood High School — Join the STEP UP initiative! Learn of how you can help to close the gender gap in physics majors in the United States, by using research-based lessons shown to improve students interest in careers using a physics major. Engage in the Careers in Physics lesson and Women in physics Lesson, and learn everyday actions that encourage all students.
