

TS4CF08-2008-020008

Abstract for an Invited Paper  
for the TS4CF08 Meeting of  
the American Physical Society

**Physics GRE Practice**

DAVID ERNST, Vanderbilt University

This session is for students to practice the physics subject matter GRE exam. Guidance on taking the exam will be given. The students will be furnished a collection of problems taken from previous exams. Students will practice a couple problems and discuss the underlying physics knowledge and strategies that relate to these problems.
