Abstract for an Invited Paper  
for the TSF17 Meeting of  
the American Physical Society

### **More Modern Physics**

TRINA CANNON, PTRA and Eastfield college

In the state of TX, the TEKS for Physics classes includes a reference to the Photoelectric Effect that a significant research achievement that has added to the study of Modern Physics. We will work through a lab activity that can help students understand work function and the value of this data. This is a PTRA approved workshop.
