

Abstract Submitted  
for the TSS07 Meeting of  
The American Physical Society

**The Development of AP Physics Exams** BETH THACKER, Texas  
Tech University — The development of an AP Physics exam will be discussed. While  
the talk will be of interest to those who teach AP Physics classes, it may also be  
relevant to people who are interested in assessment and the development of exams  
in general, at both the high school and university level.
