

Abstract Submitted
for the TSS14 Meeting of
The American Physical Society

ATE Workshops for Physics Faculty¹ THOMAS O'KUMA, Lee College — This talk will report on a project for two-year college and high school physics teachers. It will include data from the recently held workshops that are part of this project, follow-up activities conducted by the participants of this project, and some interesting information from the project.

¹Support in part by NSF grant ATE-1003633.
