

Abstract Submitted
for the TSS21 Meeting of
The American Physical Society

Effective Resumes Undergraduate Physics and Astronomy Students BRAD CONRAD, ALTHEA GAFFNEY, Society of Physics Students AIP
— This workshop will focus on crafting CVs, focused resumes, and impactful cover letters for job searches and graduate school applications. This interactive workshop will help you analyze a job posting, identify strategies for crafting your resume, and help you focus your cover letter. We will end with a discussion on interview techniques.
