### **Pursuing Physics Careers in Industry**

DAVID GILTNER, TurningScience, LLC

What are your career plans after you complete your physics degree? Have you considered launching your career in industry? If so, what do you know about the private sector? Does it hold exciting and rewarding career options for a physicist? If you are unsure, Dr. David Giltner is out to change your mind. In this talk he will review what hes learned form the 20+ years hes worked in the private sector. Like most of his talks, this one is half information and half inspiration!
