

Abstract Submitted
for the APR09 Meeting of
The American Physical Society

Big Bang Fuel Discovered and Demonstrated¹ CHARLES SVEN²,
Author: 21st Century's All New Cosmology — I will provide the four major components, with demonstration and documentation, necessary to understand how our universe arrived at its current state. These four components are: 1st A scenario explaining the Big Bang. 2nd. A scenario explaining the distribution of all celestial objects. 3rd A scenario explaining Earth's location in our universe. 4th Observations supporting all the above, from NASA, Stanford Labs, and other equivalent sources.
