

Abstract Submitted
for the APR16 Meeting of
The American Physical Society

Search for new physics with same-sign dileptons CHRISTOPHER GEORGE, Univ of California - Santa Barbara , CMS COLLABORATION — Discussion of the motivation, search strategies, and results for an inclusive search for new physics in events with a same-sign dilepton pair, significant jet activity, and missing transverse energy, using the 13 TeV dataset from CMS. Results are interpreted in light of several SUSY models.
