

Abstract Submitted  
for the DAMOP20 Meeting of  
The American Physical Society

**Institute for Quantum Computing Workshop: Be a Trailblazer:  
Opportunities to accelerate your career with the Institute for Quantum  
Computing** HEIDI PRIES, University of Waterloo, Institute for Quantum Com-  
puting — Join faculty from the University of Waterloos Institute for Quantum Com-  
puting to learn about exciting research and career opportunities at IQC and the  
large research program, Transformative Quantum Technologies (TQT). TQT aims  
to deliver on the quantum promise of advancing the use of quantum mechanics from  
laboratory curiosity to impactful devices. This is an opportunity for young scien-  
tists to learn about the latest developments and emerging opportunities in quantum  
research at Canadas Most Innovative University.
