The American Physical Society

Women in Plasma Physics Evening Reception DEBORAH TOLLEFSEN, University of Memphis — The Committee for Women in Plasma Physics will host a virtual reception featuring a lecture by Deborah Tollefsen, Professor of Philosophy and Associate Dean of the College of Arts and Sciences at the University of Memphis. Dr. Tollefsen specializes in social epistemology and collective responsibility. These formal topics touch issues of co-authorship, shared agency, and group knowledge that are relevant to scientists who seek to advance human knowledge through collaborative work.
