

Abstract Submitted  
for the MAR12 Meeting of  
The American Physical Society

**Meet the NSF-DMR Program Director and Learn About Funding Opportunities at NSF** JANICE HICKS, NSF/DMR Deputy Division Director — The session will include a presentation on the mission and programs of the Division of Materials Research (DMR) of the National Science Foundation (NSF), as well as a description of ongoing and forthcoming research funding opportunities. In addition, attendees will have the opportunity to interact “one on one” with NSF Program Directors present.
