

Abstract Submitted  
for the MAR16 Meeting of  
The American Physical Society

**Panel Discussion : Report of the APS Ad-Hoc Committee on LGBT Issues** TIM ATHERTON, Tufts University, RAMON BARTHELEMY, APS/AIP Science Technology Fellow, American Association for the Advancement of Science, SAVANNAH GARMON, Osaka Prefecture University, KYLE REEVES, University of North Carolina, APS AD-HOC COMMITTEE ON LGBT ISSUES TEAM — Following the presentation of the findings and recommendations of the APS Ad-Hoc Committee on LGBT Issues (C-LGBT) by Committee Chair Michael Falk, a panel discussion will be held featuring several members of the committee. The discussion will focus on how APS can best ensure the recommendations of the committee are carried out in a timely fashion and other ideas on future APS efforts toward LGBT inclusion in physics. Discussion topics will also include the research and other input that shaped the committee's findings and recommendations.
