Abstract for an Invited Paper
for the TSF17 Meeting of
the American Physical Society

SPS Chapter Outreach

CLAYTON ELLINWOOD, ANDRE GUIMARAES, Sam Houston State University

August 21, 2017, the Sam Houston State University organized a community viewing of the 2017 Solar Eclipse at the university observatory. Organizers promoted the event to the university and the Huntsville community through the local paper and the university web, and SPS officers prepared printed eclipse tee shirts and bottled water for sale during the eclipse. Several hundred people attended the event, and the local chapter raised 356.28.
