Abstract for an Invited Paper  
for the TSS16 Meeting of  
the American Physical Society

**How can the Society of Physics Students national organization help you, your chapter, and your department? A primer on maximizing the impact of your affiliation.**

TIMOTHY HEAD, Abilene Christian University

This talk will discuss ways the Society of Physics Students (SPS) can help you to grow professionally by utilizing tools available through programs from the national organization. An overview of current programs and deadlines will be given with discussion of ideas and opportunity for networking. The talk will also discuss ways SPS national can help chapters and departments prosper. SPS chapter officers and advisors are especially encouraged to attend.
